SADDLERY AND HARNESS SHOP.

Forman and Shanks conduct a first-class saddlery and harness shop in the Hatch row on Main street, Heber, Utah. They are manufacturing all kinds of saddles and harnesses from the best of materials and all their work is done in a neat and substantial manner, giving their products the three leading qualities, strength, durability, and neatness.

They also carry a full line of fixtures and enjoy a large and increasing business in the repair line. In this they are the only persons carrying on the business of making and repairing saddles and harnesses in Wasatch county.

They are both steady, industrious, young men who are well known throughout the county, having been born and reared in Heber City.
